# Welcome to the American Civil War Museum of Ohio!

The *American Civil War Museum of Ohio* is a not-for-profit organization formed to satisfy our community's need for a unique educational museum by collecting, preserving, and interpreting the American Civil War and its impact on the current generation of American people.

Our Civil War exhibits feature artifacts, dioramas, mannequins, audio visual tools and informational display boards. A 20 minute video titled "*Ohio's Role in the Civil War*" is also available for viewing. We also provide a *traveling exhibit* for those groups not able to travel to our site.

The *museum gift shop* offers a wide range of souvenirs for all ages and features a huge selection of over 600 Civil War book titles covering every aspect of the conflict. You can find period games, musical instruments, DVD's, period candy, collectible pins, reenacting supplies and much more.

Through our singular focus on the American Civil War, we are positioned as a premier source of education, enrichment, and enjoyment for the entire area.
