Thank You for Your Support

The American Civil War Museum of Ohio is a not-for-profit 501 (c) (3) public charity formed to satisfy our community's need for a unique educational museum by collecting, preserving, and interpreting the American Civil War and its impact on the current generation of American people.

The museum offers over 10,000 sqft of exhibit and research facilities to engage the visitor. There are nine main exhibit areas within the museum with each area having its own educational learning center. These learning centers include digital audio listening centers, educational handouts and hands on activities. A Prisoner of War Research Center, Gift Shop, Visitor Lounge, Research Library, Theatre with 20 minute video on Ohio's Role in the Civil War and large Presentation Room add to the list of things to do.

Your generous tax deductible contribution will help us in achieving our goal of bringing a "First Class" Civil War museum to Tiffin, Ohio. The museum is currently raising \$10,000 in capital expenditures for the expanded exhibits.
